ADDITIONAL INTEL UPDATES:

- The FREEDOM CONVOY 2022 page share a video from the Facebook user **Personal Info.** **Persona**. In the video the individual reaffirms that the group is putting out misleading information to throw off law enforcement. CIG notes the following key points in this video:
 - “The convoy are switching out to slow rolls and mobile blockades. They’re being based outside the city rather than being stuck in here (downtown). And so causing trouble in other parts of the city. They’re a lot more difficult to deal with because they don’t know where they’re going to show up.”
 - “one of our leaders put up as **S.37** saying we’re all packing up moving to Toronto. [...] we’re playing the game too. [...] there may be some validity to it. But it’s also possibly just another counter confusion operation from our leadership. They have a game plan”
